

A Note from Carmen

I want to say Thank You to Everyone (Members of our Staff, their children and Friends of the Firm who volunteered) who participated in our first ever Beach Clean Up. This event started as an idea from Ashley Schmidt. Once the seeds were planted, this event caught on like wildfire. Ashley's idea was embraced by everyone at the firm, and the next thing you know, the entire firm is descending upon the beach to clean it up.

I love to see this type of enthusiasm. But, the best part about the event was the number of people who participated in the clean up. I'm not talking about the people we enlisted, I'm talking about others who joined the ranks. I couldn't believe the kindness of the business owners and the sun-lovers. I was offered water and cocktails, but most importantly, people were curious as to why we were there cleaning up the beach. When I explained to them our firm philosophy and our firm culture (Making Bad Situations Better, and Putting Lives Back Together), they immediately understood. I can't say it better than a woman named Barbara who said to me: "A lot of people talk, but you guys are letting your actions speak louder than your words." Thank You - Barbara. I would like to think that is the way we practice law as well.

Lastly, I am really excited about all of the events that we have coming up. Stay tuned to the Newsletters, Facebook, Twitter and the Websites, we have so much going on, and we want you all to be a part of it.

Fun and Easy Recipe of the Month

Tiramisu

Ingredients

- ½ cup sugar
- 1 tablespoon finely ground espresso coffee beans
- 3 large egg yolks
- 2 cups brewed espresso coffee, cooled
- 13 ounces mascarpone cheese at room temperature
- ½ cup chilled heavy cream
- 3 tablespoons coffee liqueur
- 24 crisp Italian ladyfingers
- 2 tablespoons unsweetened cocoa powder

Instructions

Combine sugar and 3 to 4 tablespoons water in a small saucepan over low heat. Cook, stirring just to dissolve sugar; immediately remove from heat.

Place yolks in a large bowl and, whisking, add melted sugar in a slow and steady stream. Whisk until yolks are pale, thick, and cool. Whisk in ¼ cup of the espresso and the mascarpone.

In a separate bowl, whip cream to stiff peaks; gently fold into mascarpone mixture.

In a shallow bowl, whisk together coffee liqueur with the remaining espresso. Dip 1 ladyfinger in coffee liquor mixture, soaking 4 seconds on each side, then place in an 8- by 8-inch baking dish. Repeat to make 1 layer of ladyfingers, trimming as needed to fit snugly.

Spread half of the mascarpone mixture over ladyfingers. Make a second layer of ladyfingers soaked with the coffee mixture. Top with remaining mascarpone cream, spreading it smoothly. Chill tiramisu, covered, at least 2 hours. Just before serving, place cocoa and ground espresso beans into a fine strainer and shake onto the tiramisu.

Our Charity Choice of the Month:

The Dellutri Law Group's charity for the month of March is spreading awareness on Breast Cancer by participating in this years event Race For The Cure.

The funds raised at this year's race will help to support community outreach programs in 18,000 communities. Up to 75 percent of the net income from each race stays in the local community to fund breast health education and breast cancer screening and treatment projects. The remaining 25 percent supports the Komen Award and Research Grant Program, funding groundbreaking breast cancer research, meritorious awards and educational and scientific conferences around the world.

A significant number of people who participate in the race do so because of a personal connection with the disease, either through their own diagnosis or in support or honor of a friend or a loved one. But because breast cancer knows no age, gender, social or geographic boundaries, we must all learn what we can do to protect ourselves.

Join members of The Dellutri Law Group in the Susan G. Komen Race For The Cure it will be held at Coconut Point Mall in Estero on March 12, 2011 at 8:00 a.m. If you would like more information please contact Elizabeth or Ashley S. at 239-939-0900. Hope to see you there!

"I Am So Proud Of Our Clients!"

-Amanda Downing

In our recent blogs and [Dellutri Law Group](#) letters, Carmen and I have really focused on getting the word out to our clients to make sure that their families are adequately protected on our roads. We truly want you to be safe.

We have urged all of our clients to locate their latest automobile insurance policy and make certain they have "Uninsured Motorist" or "Underinsured Motorist" coverage on their policy. In the past few weeks, I have received many phone calls from our loyal clients requesting a review and free consultation regarding their auto insurance policy. After each phone call, I had a smile on my face...here is why...**every** single client that called me had uninsured/ underinsured motorist coverage.

Most clients did not know what different types of coverage (Bodily Injury, PIP, Medical Payments, Property Damage, etc) meant or had a misunderstanding of the purpose of the specific coverage. Almost every client did not know that they even had uninsured/underinsured motorist coverage (despite paying for it every year) and they did not know what it was or how they could benefit from this coverage.

At the end of our conversation, every client was genuinely grateful for having a better understanding of what they were paying for and happy to learn that they were protected on our roads. If you have not had an opportunity to contact me, I urge you to give me call at 239-210-3684 or email me at adowning@dellutrilawgroup.com for a free consultation and review of your auto insurance policy. I will be more than happy to help you and your family!

Beach Clean Up

The Beach Clean-Up Was a Success!!

Last month, the Dellutri Clean-Up Crew helped clean up all the visible trash on Fort Myers Beach. It was truly awesome. With twenty plus clean-up crew members, it turned out to be quite a successful day and not to mention a beautiful day to be outside. We started early and covered a little over a mile filling bags and bags full of trash. We met a lot of great people on the beach and handed out frisbees and beach-balls which were definitely appreciated by the children and their parents too! The whole crew looks forward to the next clean-up in the beautiful Florida sunshine!
